### **COVID 19 GUIDELINES**

COVID -19 guidelines are constantly changing. Lately they have been lifting more restrictive requirements, but at any time that could change with a new surge in cases. **Right now the requirement is that for any event with over 2,500 people in attendance, masks will be required for everyone in attendance vaccinated or not.** The City has also lifted the attendance limitations, so the event can go on as in previous years with large crowds. If you are a food vendor, please look at the additional requirements in your separate food vendor guidelines packet. It is possible and likely that requirements will be reduced even more. Regardless of what we put in this application, your flexibility will be required and requirements will most likely change again before the event.

We ask that you not attend if any of the following is true for you or anyone in your party:

Within 14 days before attending the festival you have tested positive, or been exposed to someone who has tested positive for, COVID-19;

Within 48 hours prior to attending the festival, you have experienced symptoms of COVID-19 (e.g., a fever of 100.4F or higher, cough, shortness of breath or difficulty breathing, chills, repeated shaking muscle pain/achiness, headache, sore throat, loss of taste or smell, nasal congestion, runny nose, vomiting, diarrhea, fatigue or any other symptoms associated with COVID-19 identified by the Centers for Disease Control and Prevention);

Within 14 days prior to attending the festival, you have travelled to any international territory identified by federal or applicable state or local governments as being subject to travel or quarantine advisories due to COVID-19.
